

## **Action Taken Report on Curriculum Feedback**

During the Academic year 2020-21, the College had a well established curriculum which was framed by the University of Madras. To analyze the usefulness and suggest reframing the curriculum, feedback had been collected from the stakeholders such as Students, Alumni, Employers and Teachers.

### **Report on the Feedback:**

The feedback was analyzed based on Curriculum and the following were observed.

- The overall feedback on curriculum from the stakeholders was good. 90% and above stakeholders were satisfied.
- 90.8% students found the curriculum to be very effective in obtaining competence, developing technical skills and constructive learning.
- 90.98% Teachers found the curriculum to be very effective for the students to obtain technical skills and to develop personal skills.
- 94.21% Alumni found the curriculum to be very effective in developing competence and obtaining soft skills.
- 93.33% Employers found the curriculum to be very effective for the students in getting Placement.

### **Action Taken on Curriculum Feedback Report:**

- Based on the feedback obtained, each and every aspect of the curriculum was systematically evaluated and the same is represented to University of Madras through the Academic Council Member of the college.
- The Syllabus has been revised from the academic year 2020-21 for the Under Graduate Program
