| S. No. | Descriptions |
|--------|---|
| 1. | Gender Equity and Sensitization in HCAS |
| 2. | Hostel Facilities for Girls |
| 3. | Counseling Program for Students |
| 4. | Girl students' participation in Student Council |
| 5. | Program Celebrations at HCAS |

1. Gender Equity and Sensitization in HCAS:

In the institution, under the leadership of the Director Dr. Susan Verghese, has a keen vision of eradicating gender discrimination and sensitize thin the college campus in the both teaching and non-teaching staff members. The institution encourages women candidates and recruits more than 50 percent of women candidates both in teaching and non-teaching employees.

2. Facilities for Girl Students

Our college is providing excellent hostel facilities separately for girl students who are coming from distance places or other districts from all over Tamil Nadu and for students who are joining from other states also. The hostel premises are having well furnished both Air-conditioned & Non- Air-conditioned rooms that are included Cot, Mattress and Pillows, Chairs, Fan and good lighting facilities etc. The hostel premises is also having a good dining hall, which has the following facilities such as Metal Table & Chair, Drinking water facility, wifi and TV etc. Ladies Lounge provides a relaxing space for women students and staff in each block.

3. Counseling Program for Students

Our college is providing counseling for both the gender of students and women students are more vulnerable to get affected by personal, family and social issues etc. Due to these factors they may perceive or develop many problems such as adjustment issues with classmates, peer pressure, poor performance in academic activity, anxiety, depression and health issues etc. For all these issues, our institute has taken initiative to provide counseling to the students and for which in-charge given to Ms. Vinu Vincent who is Assistant Professor in the Department of Social Work as counselor at HCAS. So she delivers suitable effective counseling approaches and techniques in dealing with girl students in terms of addressing and resolving the problems of the students. In addition to this, she conducted many programs on Mental Health Issues and Challenges and how the students could overcome it such as suicide prevention, de-addiction and other associated mental health problems etc.

Webinar on Girl Child rights during lockdown

The discrimination between the female and the male gender is one of the ills of the society which the society is facing since its emergence. A girl since her birth faces numerous discrimination and deprived of their rights. The rights include the right to speak, right to express, right to education, right to health and medical facilities, right to create her own identity, and right to take her own decisions. The college create awareness on this issues.
