Department of Mathematics Report

Service Learning Program (2023-2024)

We have conducted a service learning program for 11th-standard students at Adi Dravidar Government Higher Secondary School in Thaiyur, Chennai. This program aims to enhance students' mathematics skills and help them achieve higher scores in their public examinations. Dr. S. Subramaniyan and Mr. T. Saravanan has completed 10 hours of instruction as part of this program. The staff members were taken classes from July 2024 to October 2024 as a part of service learning program. After the program class test has conducted and statement of marks has been given to the respective class teacher.

The topics covered by the staff members in the Unit-II Matrices are

1. TYPES OF MATRICES
2. SYMMETRIC AND SKEW SYMMETRIC MATRICES
3. OPERATIONS ON MATRICES
4. TRANSPOSE OF A MATRIX, ZERO AND IDENTITY MATRIX
5. SIMPLE PROPERTIES OF ADDITION AND MULTIPLICATION
6. NONCOMMUTATIVITY OF MULTIPLICATION OF MATRICES
7. EXISTENCE OF NON-ZERO MATRICES
8. INVERTIBLE MATRICES AND PROOF OF THE UNIQUENESS OF INVERSE

The classes are very useful and innovative to the students. The award of appreciation is issued by Head Master to our staff members.

DEPARTMENT OF ENGLISH

REPORT ON OUTREACH PROGRAM

The outreach program conducted on February 3, 2024, by the Department of English, Hindustan College of Arts & Science at the Home for the Destitute in Padma Adarsh School, Kazhipattur was a commendable initiative marked by the enthusiastic participation of students from the department. These students, accompanied by Assistant Professors Ms. K Kalpana and Ms. K Narmadha displayed a deep commitment to community service as they actively engaged with the ninety residents of the Home.

The event's primary focus was on educational activities, encompassing a range of subjects and skill sets. The Professors facilitated a Career Guidance session for the students of classes 8th to 10th and advised them on choosing a stream in the 11th class. These educational endeavors aimed to empower the destitute individuals, fostering intellectual growth and a sense of accomplishment.

In addition to the educational components, the outreach program also included a series of engaging games like Word Building, Hangman and Pictionary. These recreational activities not only added an element of fun to the event but also served as a means of promoting social interaction and camaraderie among the participants. The blend of education and recreation created a holistic experience, catering to the diverse needs and interests of the residents.

The collaborative effort of the students from the English department contributed significantly to the success of the program. Their dedication and compassion shone through as they worked diligently to create a positive and inclusive atmosphere. The event, as a whole, served as a testament to the transformative power of community engagement and highlighted the importance of such initiatives in fostering a sense of belonging and shared humanity.
