POND CLEANING DRIVE REPORT

DATE: 18th OCTOBER 2023

VENUE: Kelambakkam lake

NO.OF.NSS VOLUNTEERS PARTICIPATED: 50

OBJECTIVES: To clean the Kelambakkam lake and create awareness among the public.

ABOUT THIS EVENT:

On 18th October 2023, we, the NSS volunteers, gathered near the lake opposite the Government Hospital at Kelambakkam Panchayat Office. Forming ten teams, each consisting of four second-year and four first-year students, we collaborated to clean the lake thoroughly. Working alongside our NSS members was both enjoyable and fulfilling. The panchayat officers appreciated our efforts, which made us proud to be part of this meaningful event.

Benefits of a Clean Lake:

1. Strengthening the economy.
2. Improving water flow.
3. Supporting flourishing marine life.
4. Preserving water quality.
5. Providing a great source of recreation.

One of the key reasons for maintaining clean ponds and lakes is to safeguard aquatic plants and animals. Polluted water often contains harmful substances, including chemicals, bacteria, and viruses, which pose serious risks to marine life. At the end of the activity, our NSS teams completed the assigned tasks, gathering all the collected waste at a designated spot. A group photo was taken with the collected waste as a testament to our efforts, and our staff provided refreshments for everyone. We also noticed that the lake was being encroached upon by unwanted trees, emphasizing the importance of conserving such water bodies for the future.

PINK WALKATHON EVENT REPORT

DATE: 5th NOVEMBER 2023

VENUE: Apollo clinic, East Tambaram

NO.OF.NSS VOLUNTEERS PARTICIPATED: 50

OBJECTIVES: To create awareness about breast cancer.

ABOUT THIS EVENT:

On 5th November 2023, we, the NSS volunteers, gathered in front of Apollo Clinic in East Tambaram to participate in a breast cancer awareness campaign that extended up to the Adhi Nagar bus stop. It was an enjoyable and enthusiastic experience, walking alongside our fellow volunteers while holding banners and placards. We all wore pink T-shirts provided by the organizers, symbolizing support for the cause.

After completing the walk, we returned to the clinic and formed the shape of a pink ribbon, a universal symbol of breast cancer awareness. The event concluded with refreshments provided to the participants. It was an honor to be part of such a meaningful initiative.

About Breast Cancer Awareness Month (Pinktober):

Breast Cancer Awareness Month (NBCAM), also known as "Pinktober," is observed every October to promote awareness about breast cancer. The month focuses on increasing support for early diagnosis, treatment, palliative care, prevention, and routine screening.

The pink ribbon serves as the most prominent symbol of breast cancer awareness. In many countries, October is designated as National Breast Cancer Awareness Month, during which various organizations receive significant financial support through corporate sponsorships to advance their efforts.

Respected Sir,

Sub: Request for special permission for postponement of Cat - II exams for NSS volunteers.

I am writing to you on behalf of the students who are actively involved in the upcoming National Service Scheme (NSS) camp, scheduled from to 11/03/2024 to 17/03/2024. As you are aware, the NSS camp is a vital community service program that allows students to contribute positively to society, promoting a spirit of social welfare and cooperation.

However, it has come to our attention that the current exam schedule conflicts with the dates of the NSS camp. Participating in the camp is a significant commitment for us, requiring our full attention and presence, which unfortunately means we will be unable to adequately prepare for our examinations if they proceed as scheduled.

We are fully committed to our academic responsibilities and assure you that we will adhere to any new timetable or conditions that may be set to accommodate this request. We are hopeful for a positive response.

Thank you very much for considering our request. List of the volunteers enclosed along with this letter.

Thanking you

Yours faithfully,

Dr.L.Krishnasamy,
