A standout feature of this year's celebration was the inclusion of a student bazaar, where young entrepreneurs showcased their products and services. The bazaar provided a unique opportunity for students to test their business acumen, interact with potential customers, and gain real-world experience in a controlled and supportive environment. The event saw the active participation of students from all the departments of HCAS. A total of 15 students who are the members of EDC across all the departments have benefited from the programme. The student bazaar highlighted the creativity and innovation of young minds. The innovative eco-friendly products showcased the entrepreneurial spirit thriving among students. The inclusion of the student bazaar added a dynamic and educational element to the event, allowing the next generation of entrepreneurs to take their first steps towards success. As we reflect on this day, we acknowledge the importance of nurturing and supporting the entrepreneurial spirit to drive future economic prosperity and innovation.
