## TAMIL NADU STUDENT INNOVATION (TNSI-2022): IDEA PITCHING WORKSHOP TO SOLVE PROBLEMS ASSOCIATED WITH FOOD, WATER & AGRICULTURE

**Date** : 15-02-2023 & 16-02-2023

**No. of Participants** : 200

### About the Program

The Entrepreneurship Development & Innovation Institute cell in Hindustan College of Arts & Science, conducted a “Tamil Nadu Student Innovators 2022- State level final Pitch” in association with Department of MSME, Government of Tamil Nadu on 29<sup>th</sup> March 2023. Contamination of food, water, and agriculture is the prime concern of the society. Food, water, and agriculture contamination are not only affecting human beings but also other species of the food web. This workshop was conducted to discuss the awareness, problem, and solution for making food, water, and agriculture contamination free. Level 1, 2, and 3 programs were conducted. Idea pitching competitions were organized. Participants learnt about adopting diversified strategies towards the cleaner ecosystem. A cleaner ecosystem can certainly lead towards disease-free human, livestock, and aquatic ecosystem.
