Action Taken Report on Curriculum Feedback

Introduction:

During the 2022-23 academic year, the College's curriculum, framed by the University of Madras, was subject to a comprehensive evaluation through stakeholder feedback. This report summarizes the key findings and actions taken based on the insights gathered from students, alumni, employers, and faculty.

Key Findings from Stakeholder Feedback

- **Overwhelmingly Positive Response:** The curriculum received a positive response from all stakeholders, with satisfaction rates exceeding 93%.
- **Strong Focus on Skill Development:** Students and alumni valued the curriculum's effectiveness in developing technical skills, soft skills, and overall competence.
- **Employer Satisfaction:** Employers were particularly impressed with the curriculum's role in preparing graduates for successful placements.
- **Faculty Empowerment:** The curriculum was also well-received by faculty, who found it effective in enhancing their teaching capabilities and professional development.

Actions Taken Based on Feedback

To further optimize the curriculum and address any identified areas for improvement, the following actions were implemented:

- **Systematic Curriculum Evaluation:** Each aspect of the curriculum was meticulously evaluated to ensure its alignment with industry standards and evolving educational needs.
- **Collaboration with University of Madras:** The findings from the feedback analysis were presented to the University of Madras through the College's Academic Council Member.
- **Curriculum Revision:** Based on the insights gained, the undergraduate program's syllabus was revised for the 2023-24 academic year to enhance its relevance and effectiveness.

Conclusion:

The positive feedback received from various stakeholders underscores the strength and efficacy of the College's curriculum. By taking proactive steps to incorporate feedback and revise the curriculum, the institution aims to continue providing quality education and preparing students for successful careers.
